RE: Edward Byrne Memorial Justice Assistance Grant (JAG) Program 2012

City Staff is in the process of submitting the Edward Byrne Memorial Justice Assistance Grant (JAG) to the Department of Justice, Justice Assistance Program. The Edward Byrne Memorial Justice Assistance Grant (JAG) Program is the primary provider of federal criminal justice funding to state and local jurisdictions. JAG funds support all components of the criminal justice system, from multijurisdictional drug and gang task forces to crime prevention and domestic violence programs, courts, corrections, treatment, and justice information sharing initiatives. JAG funded projects may address crime through the provision of services directly to individuals and/or communities and by improving the effectiveness and efficiency of criminal justice systems, processes, and procedures.

This year's annual JAG funds are $43,227.00, which the Police Department intends to use for In-Car Video Systems. In-Car Video for police officers will increase officer safety, professionalism, reduce citizen complaints, assist with criminal investigations, and assist with prosecuting offenders.

2012 FLORIDA JAG ALLOCATIONS

Listed below are all jurisdictions in the state that are eligible for FY 2012 JAG funding, as determined by the JAG formula. If your jurisdiction is listed with another city or county government in a shaded area, you are in a funding disparity. In this case, the units of local government must develop a Memorandum of Understanding (MOU) and apply for an award with a single, joint application.

Finding your jurisdiction:(1) Disparate jurisdictions are listed in shaded groups below, in alphabetic order by county.(2) Eligible individual allocations are listed alphabetically below the shaded, disparate groupings.

Counties that have an asterisk (*) under the "Eligible Individual Allocation" column did not submit the level of violent crime data to qualify for a direct award from BJA, but are in the disparate grouping indicated by the shaded area. The JAG legislation requires these counties to remain a partner with the local jurisdictions receiving funds and must be a signatory on the required Memorandum of Understanding (MOU). A sample MOU is provided online at: https://www.bja.gov/Funding/JAGMOU.pdf. Disparate jurisdictions do not need to abide by the listed individual allocations, which are provided for information only. Jurisdictions in a funding disparity are responsible for determining individual amounts within the Eligible Joint Allocation and for documenting individual allocations in the MOU. For additional details regarding the JAG formula and award calculation process, with examples, please refer to the updated JAG Technical report: https://www.bja.gov/Publications/JAGTechRpt.pdf.

For JAG Frequently Asked Questions, please refer to BJA's JAG webpage: https://www.bja.gov/Funding/JAGFAQ.pdf.
