CITY OF RIVIERA BEACH

2214 AVENUE "E" • RIVIERA BEACH, FLORIDA 33404

OFFICE OF
CITY MANAGER
RONALD A. DAVIS

April 19, 1979

Dear City of Riviera Beach Water Users:

There definitely exists a shortage of treated water in the City of Riviera Beach at this time.

The main reason for this condition is the mild drought that we are currently having. This, coupled with not enough raw water to meet the high demands, has caused the City to take the following action:

On April 18, 1979, the City Council passed an Emergency Ordinance allowing the City to take emergency water conservation measures due to our critical shortage of treated water.

As a result, the following lawn watering schedule will become effective April 19, 1979 for all users of City water for irrigation:

SCHEDULE FOR ALL USERS

Monday:	8:00 a.m. to 8:00 p.m.
Wednesday:	8:00 a.m. to 8:00 p.m.
Saturday:	Noon to 4:00 p.m.

Users who have automatic timers can have them reset by almost any plumber or a sprinkler company.

The above schedule will be strictly enforced, and applies to irrigation with municipal water only. This policy will not apply to irrigation by water from a private well.
