SUMMARY:

Suffolk Construction Company would like to present and discuss the positive economic impact of the construction of the Edward J. Healey Rehabilitation and Nursing Center with the Riviera Beach City Council and residents. Additionally, the Suffolk representative will update the Council on the construction progress of the project.

BACKGROUND:

In August 2011, the City of Riviera Beach City Council passed unanimously a resolution in support of the Edward J. Healey Rehabilitation and Nursing Center. The site for the Center is in close proximity to both the Veterans Administration Hospital and the Kindred Hospital of the Palm Beaches. This offers multiple health care components in one convenient location thereby, creating a medical corridor within the City.
