The Hon. Judy Davis  
City of Riviera Beach, Florida 33404

Dear Mrs. Davis:

As I indicated this morning I am interested in serving on the City's Planning and Zoning Board and have submitted my application and a summary resume to Dawn Pardo.

I have been a resident of Palm Beach County since 1960. Throughout my adult life I have been involved in both charitable and political causes which directly affect me, my family and the community in which I live.

- I have enjoyed drift boat fishing from the Blue Heron and the Riviera beach since high school.
- For the last 15 years I have lived in and experienced the uniqueness of our city.
- We have it all, ocean, beaches, Lake Worth lagoon (intracoastal waterway) county and state parks, city owned marina, boat launching docks and numerous private marinas, and an interstate highway.
- We are 10 minutes from the gulfstream, 20 minutes from an international airport, not to mention our proximity to the port.
- My husband Zell grew up in Riviera Beach, where his uncle B. Fox Griffin was mayor. Zell has a unique understanding of the city's history and we see the potential for its future, but only if it grows in a responsible manner.

This is our little piece of paradise and we as residents, who enjoy its natural beauty, have a responsibility to protect it.

Respectfully,

Marie Davis
