SUMMARY:

During the FY2010 budget process, City Council allocated funds for the purchase of police vehicles. The Police Department is seeking to purchase eight (8) marked patrol vehicles, three (3) detective vehicles, two (2) code enforcement vehicles, and one (1) crime scene van. The marked patrol cars will be fully equipped with emergency lights, siren/PA, console, transport seat, and prisoner cage.

The Police Department recommends that the vehicles be purchased from Garber Ford Mercury of Green Cove Springs, Florida, because this dealership has been designated under the auspices of the Florida Sheriff's Association's annual bid award announcement (No. 09-17-0908) and made available to units of local government and municipal police agencies within the state for capital acquisitions of this size. Using this cooperative bid process, the Department saves time and money in acquiring the police vehicles. The three vehicles selected for the Detective Section are being purchased under the auspices of the State of Florida Contract #071-000-10-1. The use of cooperative bids is authorized in City of Riviera Beach Resolution 95-09. The police department seeks to purchase vehicle graphics from Graphic Designs International. The total cost of this vehicle acquisition project is \$315,578.

Item No.01

AGENDA ITEM SUMMARY NO. D09-121-1**PAGE 2****BACKGROUND**

The City's Fleet Management Department has a vehicle replacement plan, which has an established criteria for the replacement of police vehicles. The fleet managers cite as the basis of their recommendations, the age and the condition of the police vehicle fleet and the fact these vehicles eventually reach a maximum mechanical life, causing repair costs to simply increase with each passing year. The Police Department concurs with the recommendation of the fleet manager.

The police department intends to purchase the following vehicles and graphics kits:

Qty	Description	Division	Unit Cost	Total
8	2010 Ford Crown Victoria (PI)	Patrol	26,017.00	208,136.00
3	2010 Chevrolet Impala	Detective	18,722.00	56,166.00
2	2010 Ford F150 Pick-up Truck	Code Enf.	13,740.00	27,480.00
1	2010 Ford E-250 Cargo Van	Crime Scene	20,272.00	20,272.00
8	Patrol Graphics Kits	Patrol	388.00	3,104.00
1	Crime Scene Graphics Kits	Crime Scene	420.00	420.00
			Total Project	\$315,578.00

The Police Department recently expanded its crime scene unit and added three civilian crime scene technicians. The 2010 Ford E-250 Crime Scene Van is needed to transport evidence and evidence processing equipment to and from crime scenes. The vehicle will be equipped with a partition, shelves, bins and drawers.

Graphic Designs International designs and manufactures our current police vehicle graphics. In order to maintain a consistent and professional appearance of the marked vehicles, the department recommends purchasing eight Crown Victoria graphics kits and one crime scene graphics kit for a total cost of \$ 3,524.

The following vehicles were taken out of service in FY2009:

Vehicle #	Year	Description	Mileage
PD-473	1994	Ford Crown Victoria	127,192
