**CITY OF RIVIERA BEACH  
CONTRACT FOR CONSTRUCTION**

This Contract is made as of this 2nd day of March, 2011 by and between the CITY OF RIVIERA BEACH, a Political Subdivision of the State of Florida, by and through its CITY COUNCIL, hereinafter referred to as the CITY, and Himes Electric Company, Inc. of Lutz, Florida, a corporation authorized to do business in the State of Florida, hereinafter referred to as the CONTRACTOR, whose Federal I.D. number is 650885982.

In consideration of the mutual promises contained herein, the CITY and the CONTRACTOR agree as follows:

**ARTICLE 1 - SERVICES**

The CONTRACTOR'S responsibility under this Contract is to provide construction services in the area of decorative street light installation, as more specifically set forth in the Scope of Work detailed in Exhibit "A", attached hereto and made a part hereof.

The CITY'S representative/liaison during the performance of this Contract shall be the City's Director of Public Works, telephone no. 561-845-4080.

**ARTICLE 2 - SCHEDULE**

- A. Time of Completion - Construction work must begin within ten (10) calendar days from the date of receipt of official notice to proceed; provided the CITY has received proof of insurance as set forth in Article 11 and a Performance and Surety Bond as set forth in Article 31 in a form satisfactory to the CITY. Construction work shall be carried on at a rate to insure its full completion within one hundred twenty (120) calendar days from the date of official notice to proceed, the rate of progress and time of completion being essential conditions of this Contract.
- B. Deduction for not completing on time - If the contract work is not fully complete according to the terms of this Contract within the limits herein stipulated, the CONTRACTOR shall pay the CITY, not as a penalty, but as liquidated damages, a sum equal to two hundred dollars (\$200) for each day elapsing between the expiration of such time limit and the date of full completion, providing, however, that the time limits herein stated are subject to extension without payment of damages, as provided in Article 17, herein. It is agreed that these liquidated damages are a good faith and reasonable pre-estimate of CITY's actual damages due to delay by CONTRACTOR because it is difficult, if not impossible, to accurately estimate the actual damages suffered by CITY due to any such delay.
- C. Reports - Reports and other items shall be delivered or completed in accordance with the detailed schedule set forth in Exhibit "A."

### **ARTICLE 3 - PAYMENTS TO CONTRACTOR**

- A. **Generally** - The CITY agrees to compensate the CONTRACTOR in accordance with the fee proposal set forth in Exhibit "B". The total and cumulative amount of this Contract shall not exceed \$126,570.00. The CITY shall not reimburse the CONTRACTOR for any travel costs incurred as a direct result of the CONTRACTOR providing deliverables to the CITY in pursuance of the scope of work contained in Exhibit A, without specific, prior written approval of the CITY.
- B. **Progress Invoices** - No later than the 20<sup>th</sup> day of every month, the CONTRACTOR shall prepare and submit, on a form approved by the CITY'S representative, a detailed estimate and invoice of work which has been completed from the start of the job up to and including the last day of the preceding month, together with such supporting evidence of the expenditures as required by this Contract. The CONTRACTOR shall also submit with each invoice an updated revised work schedule. The CONTRACTOR shall include in the Progress Invoice a Warranty of Title indicating that as of the date of Progress Invoice that all work, materials, and equipment covered by the Progress Invoice passes to the City at the time of payment of the Progress Invoice and that all laborers, materialmen, and subcontractors have been paid in full for all work, materials, and equipment covered by the Progress Invoice and also provide Partial Releases of Lien and/or Partial Releases of Payment Bond from all laborers, materialmen, and subcontractors as to such work, materials, and equipment covered by the Progress Invoice. CITY has no obligation to pay any Progress Invoice until both a Warranty of Title and Partial Releases of Lien and/or Partial Releases of Payment Bond are provided to CITY.
- C. **Progress Payments** - Progress Invoices received from the CONTRACTOR pursuant to this Contract will be reviewed and approved by the CITY representative within ten days of receipt of the invoice, indicating that services have been rendered in conformity with the Contract unless the CITY requires clarification or a correction of the invoice. The invoices will be sent to the Finance Department for payment. The CITY will pay to the CONTRACTOR ninety percent (90%) of the value based on the CONTRACTOR'S estimate and invoice, as approved by the CITY representative. Invoices will normally be paid within thirty (30) days following the CITY representative's approval.
- D. **Payment of Expenses** - All requests for payment of expenses eligible for reimbursement under the terms of this Contract, if any, shall include copies of said receipts, invoices, or other documentation acceptable to the Finance Department. Such documentation shall be sufficient to establish that the expense was actually incurred and necessary in the performance of the scope of work described in this Contract. Long distance telephone calls shall identify the person(s) called, purpose of call, time and costs. Mileage charges shall identify the destination, number of miles, rate, and purpose of travel. Duplication charges shall describe the documents, purpose of duplicating, and rate charged. Any travel, per diem, mileage, meals, or lodging expenses which may be reimbursable under the terms of this Contract, if any, will be paid in accordance with the rates and conditions set forth in Section 112.061, Florida Statutes.
- E. **Final Invoice** - In order for both parties herein to close their books and records, the CONTRACTOR will clearly state "**Final Invoice**" on the CONTRACTOR'S final/last billing to the CITY. This certifies that all services have been properly performed and all charges and costs have been invoiced to the CITY. Since this

account will thereupon be closed, any and other further charges if not properly included on this Final Invoice are waived by the CONTRACTOR and the CITY shall have no obligations for any other costs or expenses thereafter. Further, the CONTRACTOR shall include in the Final Invoice a Warranty of Title indicating that that all work, materials, and equipment covered by this Contract passes to the City at the time of payment of the Final Invoice and that all laborers, materialmen, and subcontractors have been paid in full for all work, materials, and equipment covered by Contract and also provide Final Releases of Lien and/or Final Releases of Payment Bond from all laborers, materialmen, and subcontractors as to such work, materials, and equipment covered by the Contract. CITY has no obligation to pay the Final Invoice until both a Warranty of Title and Final Releases of Lien and/or Final Release of Payment Bond are provided to CITY.

#### **ARTICLE 4 - TRUTH-IN-NEGOTIATION CERTIFICATE**

Signature of this Contract by the CONTRACTOR shall also act as the execution of a truth-in-negotiation certificate certifying that the wage rates, over-head charges, and other costs used to determine the compensation provided for in this Contract are accurate, complete and current as of the date of the Contract and no higher than those charged to the CONTRACTOR'S most favored customer for the same or substantially similar service.

The said rates and costs shall be adjusted to exclude any significant sums should the CITY determine that the rates and costs were increased due to inaccurate, incomplete or non current wage rates or due to inaccurate representations of fees paid to outside contractors. The CITY shall exercise its rights under this Article 4 within three (3) years following final payment.

#### **ARTICLE 5 - TERMINATION**

This Contract may be canceled by the CONTRACTOR upon thirty (30) days prior written notice to the CITY'S representative in the event of substantial failure by the CITY to perform in accordance with the terms of this Contract through no fault of the CONTRACTOR; provided the CITY fails to cure same within that thirty (30) day period. This Contract may also be terminated, in whole or in part, by the CITY, with or without cause, immediately upon written notice to the CONTRACTOR. Unless the CONTRACTOR is in breach of this Contract, the CONTRACTOR shall be paid for services rendered to the CITY'S satisfaction through the date of termination. After receipt of a Termination Notice and except as otherwise directed by the CITY, the CONTRACTOR shall:

- A. Stop work on the date and to the extent specified.
- B. Terminate and settle all orders and subcontracts relating to the performance of the terminated work.
- C. Transfer all work in process, completed work, and other materials related to the terminated work to the CITY.
- D. Continue and complete all parts of the work that have not been terminated.

## **ARTICLE 6 - PERSONNEL**

The CONTRACTOR represents that it has, or will secure at its own expense, all necessary personnel required to perform the services under this Contract. Such personnel shall not be employees of or have any contractual relationship with the CITY.

All of the services required hereunder shall be performed by the CONTRACTOR or under its supervision, and all personnel engaged in performing the services shall be fully qualified and licensed and, if required, authorized or permitted under state and local law to perform such services.

Any changes or substitutions in the CONTRACTOR'S key personnel, as may be listed in Exhibit "A", must be made known to the CITY'S representative and written approval, at CITY'S sole discretion, must be granted by the CITY'S representative before said change or substitution can become effective.

The CONTRACTOR warrants that all services shall be performed by skilled, properly licensed, and competent personnel to the highest professional standards in their respective field(s).

The CONTRACTOR agrees that it is fully responsible to the CITY for the acts and omissions of subcontractors and of persons either directly or indirectly employed by the CONTRACTOR. Nothing contained herein shall create any contractual relationship between any subcontractor and the CITY.

All of the CONTRACTOR'S personnel (and all Subcontractors) while on CITY premises will comply with all CITY requirements governing conduct, safety and security.

## **ARTICLE 7 - SUBCONTRACTING**

The CITY reserves, at its sole discretion and for any reason, the right to accept the use of a subcontractor or to reject the selection of a particular subcontractor by CONTRACTOR and to inspect all facilities and approve all qualifications of any subcontractor in order to make a determination as to the capability of the subcontractor to perform properly under this Contract. However, in any event the CONTRACTOR shall be responsible for performing 50% of the work, at a minimum, by its own forces and equipment. Any changes or substitutions in the CONTRACTOR'S subcontractors must be made known to the CITY'S representative and written approval must be granted by the CITY'S representative before said change or substitution can become effective. The CONTRACTOR is encouraged to seek minority and women business enterprises for participation in subcontracting opportunities.

If a subcontractor fails to perform or make progress, as required by this Contract, and it is necessary to replace the subcontractor to complete the work in a timely fashion, the CONTRACTOR shall promptly do so, subject to acceptance, in writing and at the CITY'S sole discretion, of the new subcontractor by the CITY.

If subcontractor(s) are used, the CONTRACTOR shall use only licensed and insured subcontractor(s), and shall require any subcontractor, as may be applicable, to provide a payment and performance bond. All subcontractors shall be required to promptly make payments to any person who, directly or indirectly, provides services or supplies

under this Contract.

The CONTRACTOR shall be responsible for the performance of all subcontractors.

#### **ARTICLE 8 – M/WBE PARTICIPATION**

Minority/Women-Owned Business Enterprises (“M/WBE”) shall have the opportunity to participate in this project. CONTRACTOR is hereby informed that the CITY has established a goal of a minimum of 15% participation of M/WBE. A good faith effort will be made by CONTRACTOR to hire M/WBE.

In keeping with the CITY’S policy, the CONTRACTOR further agrees to hire minority sub-contractors to work on this project.

In accordance with the CITY’S M/WBE Ordinance #2412, as amended, the CONTRACTOR agrees to the M/WBE participation for this Contract and agrees to abide by the provisions of the M/WBE Ordinance.

The CONTRACTOR agrees to maintain all relevant records and information necessary to document compliance with Ordinance #2412, as amended, and will allow the CITY to inspect such records and provide such records to CITY upon request.

#### **ARTICLE 9 - FEDERAL AND STATE TAX**

The CITY is exempt from payment of Florida State Sales and Use Taxes. The CITY will sign an exemption certificate submitted by the CONTRACTOR. The CONTRACTOR shall not be exempted from paying sales tax to its suppliers for materials used to fulfill contractual obligations with the CITY, nor is the CONTRACTOR authorized to use the CITY'S Tax Exemption Number in securing such materials.

The CONTRACTOR shall be responsible for payment of its own and its share of its employees' payroll, payroll taxes, and benefits with respect to this Contract.

#### **ARTICLE 10 - AVAILABILITY OF FUNDS**

The CITY'S performance and obligation to pay under this Contract is contingent upon an annual appropriation for its purpose by the CITY OF RIVIERA BEACH CITY COUNCIL.

#### **ARTICLE 11 - INSURANCE**

A. Prior to execution of this Contract by the CITY, the CONTRACTOR shall provide certificates evidencing insurance coverages as required hereunder. All insurance policies shall be issued by companies authorized to do business under the laws of the State of Florida. The Certificates shall clearly indicate that the CONTRACTOR has obtained insurance of the type, amount, and classification as required for strict compliance with this ARTICLE and that no material change or cancellation of the insurance shall be effective without thirty (30) days prior written notice to the CITY'S representative. Compliance with the

foregoing requirements shall not relieve the CONTRACTOR of its liability and obligations under this Contract.

B. The CONTRACTOR shall maintain, during the life of this Contract, commercial general liability, including contractual liability, insurance in the amount of \$500,000.00 per occurrence to protect the CONTRACTOR from claims for damages for bodily and personal injury, including wrongful death, as well as from claims of property damages which may arise from any operations under this Contract, whether such operations be by the CONTRACTOR or by anyone, directly or indirectly, employed by or contracting with the CONTRACTOR.

C. The CONTRACTOR shall maintain, during the life of this Contract, comprehensive automobile liability insurance in the minimum amount of \$500,000.00 combined single limit for bodily injury and property damages liability to protect the CONTRACTOR from claims for damages for bodily and personal injury, including death, as well as from claims for property damage, which may arise from the ownership, use, or maintenance of owned and non-owned automobiles including, but not limited to, leased and rented automobiles; whether such operations be by the CONTRACTOR or by anyone, directly or indirectly, employed by the CONTRACTOR.

D. The parties to this Contract shall carry Workers' Compensation Insurance and Employer's Liability Insurance for all employees as required by Florida Statutes. In the event that a party does not carry Workers' Compensation Insurance and chooses not to obtain same, then such party shall, in accordance with Section 440.05, Florida Statutes, apply for and obtain an exemption authorized by the Department of Insurance and shall provide a copy of such exemption to the CITY.

E. All insurance, other than Professional Liability and Workers' Compensation, to be maintained by the CONTRACTOR shall specifically include the CITY as an "Additional Insured." Further, if CITY is being reimbursed in whole or in part for the cost of the work contemplated by the Contract by any third party, including but not limited to, any County, State, or Federal agency, CONTRACTOR, at CITY's request, will also list any such third party as an "Additional Insured" on all insurance.

## **ARTICLE 12 - INDEMNIFICATION**

To the extent allowed by law, the CONTRACTOR shall indemnify and hold harmless the CITY, its agents, officers, and employees from and against any and all claims, liability, losses, and/or causes of action which may arise from any negligent act, recklessness, or intentional wrongful conduct or omission of the CONTRACTOR, its agents, officers, or employees in the performance of services under this Contract, including, but not limited to, to all attorneys' fees and costs incurred by CITY.

The CONTRACTOR further agrees to indemnify and hold harmless the CITY, its agents, officers and employees from and against any claim, demand or cause of action of whatsoever kind or nature arising out of any conduct or

misconduct of the CONTRACTOR not included in the paragraph above and for which the CITY, its agents, officers, or employees are alleged to be liable, including, but not limited to, to all attorneys' fees and costs incurred by CITY.

CONTRACTOR shall pay all claims, losses, liens, fines, settlements or judgments of any nature whatsoever in connection with the foregoing indemnifications including, but not limited to, all costs, expert witness fees, reasonable attorney's fees, and court and/or arbitration costs. These indemnifications shall survive the term of this Contract or any renewal thereof.

Nothing contained in this Article shall be construed or interpreted as consent by the CITY to be sued, nor as a waiver of sovereign immunity beyond the waiver provided in Section 768.28, Florida Statutes.

### **ARTICLE 13 - SUCCESSORS AND ASSIGNS**

The CITY and the CONTRACTOR each binds itself and its partners, successors, executors, administrators and assigns to the other party of this Contract and to the partners, successors, executors, administrators and assigns of such other party, in respect to all covenants of this Contract. Neither the CITY nor the CONTRACTOR shall assign, sublet, convey or transfer its interest in this Contract without the written consent of the other. Nothing herein shall be construed as creating any personal liability on the part of any officer or agent of the CITY which may be a party hereto, nor shall it be construed as giving any rights or benefits hereunder to anyone other than the CITY and the CONTRACTOR.

### **ARTICLE 14 - VENUE**

This Contract and any dispute, disagreement, or issue of construction or interpretation arising hereunder whether relating to its execution, its validity, the obligations provided therein, performance or breach shall be governed and interpreted according to laws of the State of Florida. Venue for any and all actions arising from and/or relating to the Contract shall be exclusively held in Palm Beach County, Florida.

### **ARTICLE 15-REMEDIES**

No remedy herein conferred upon any party is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or further exercise thereof.

### **ARTICLE 16 - CONFLICT OF INTEREST**

The CONTRACTOR represents that it presently has no interest and shall acquire no interest, either direct or indirect, which would conflict in any manner with the performance or services required hereunder, as provided for in Florida Statutes, Section 112.311. The CONTRACTOR further represents that no person having any such conflicting interest shall be employed for said performance.

The CONTRACTOR shall promptly notify the CITY'S representative, in writing, by certified mail, of all potential conflicts of interest for any prospective business association, interest or other circumstance which may influence or appear to influence the CONTRACTOR'S judgment or quality of services being provided hereunder. Such written notification shall identify the prospective business association, interest or circumstance, the nature of work that the CONTRACTOR may undertake and request an opinion of the CITY as to whether the association, interest or circumstance would, in the opinion of the CITY, constitute a conflict of interest if entered into by the CONTRACTOR. The CITY agrees to notify the CONTRACTOR of its opinion by certified mail within thirty (30) days of receipt of notification by the CONTRACTOR. If, in the opinion of the CITY, the prospective business association, interest or circumstance would not constitute a conflict of interest by the CONTRACTOR, the CITY shall so state in the notification and the CONTRACTOR shall, at its option, enter into said association, interest or circumstance and it shall be deemed not in conflict of interest with respect to services provided to the CITY by the CONTRACTOR under the terms of this Contract.

#### **ARTICLE 17 – DELAYS AND EXTENSION OF TIME**

The CONTRACTOR shall not be considered in default by reason of a delay in timely performance if such delay and failure arises out of causes reasonably beyond the control of the CONTRACTOR or its subcontractors and without their fault or negligence. Such causes include, but are not limited to: acts of God; natural or public health emergencies; labor disputes; freight embargoes; and abnormally severe and unusual weather conditions. Upon the CONTRACTOR'S request, the CITY shall consider the facts and extent of any such delay and failure to timely perform the work for reason beyond the control of the CONTRACTOR and, if the CONTRACTOR'S delay and failure to timely perform was without it or its subcontractors' fault or negligence, as determined by the CITY in its sole discretion, the time of completion shall be extended for any reasonable time that the CITY, in its sole discretion, may decide; subject to the CITY'S rights to change, terminate, or stop any or all of the work at any time.

If the CONTRACTOR is delayed at any time in the progress of the work by any act or neglect of the CITY or its employees, or by any other contractor employed by the CITY, or by changes ordered by the CITY or in an unusual delay in transportation, unavoidable casualties, or any causes beyond the CONTRACTOR'S control, or by delay authorized by the CITY pending negotiation or by any cause which the CITY, in its sole discretion, shall decide justifies the delay, then the time of completion shall be extended for any reasonable time the CITY, in its sole discretion, may decide.

No extension of time shall be made for any delay occurring more than seven (7) days before a claim therefore is made in writing to the CITY. In the case of continuing cause of delay, only one (1) claim is necessary.

If no schedule or other agreement sets forth the dates by which the drawing(s) shall be furnished, then no claims for delay shall be allowed because of failure to furnish such drawing(s), until two (2) weeks after demand for the drawings and not then unless said claim is reasonable.

The CONTRACTOR'S sole remedy for a delay in completion of the work for any reason will be an extension of time to complete the work and CONTRACTOR specifically waives any right to seek any monetary damages or losses for a delay in completion of the work, including, but not limited to, waiving any right to seek monetary amounts for lost profits, additional overhead, salaries, lost productivity, efficiency losses, or any other alleged

monetary losses which may be allegedly suffered by CONTRACTOR due to a delay in completion of the work.

#### **ARTICLE 18 - INDEBTEDNESS**

The CONTRACTOR shall not pledge the CITY'S credit or make it a guarantor of payment or surety for any contract, debt, obligation, judgment, lien, or any form of indebtedness. The CONTRACTOR further warrants and represents that it has no obligation or indebtedness that would impair its ability to fulfill the terms of this Contract.

#### **ARTICLE 19 - DISCLOSURE AND OWNERSHIP OF DOCUMENTS**

The CONTRACTOR shall deliver to the CITY'S representative for approval and acceptance, and before being eligible for final payment of any amounts due, all documents and materials prepared by and for the CITY under this Contract.

All written and oral information not in the public domain or not previously known, and all information and data obtained, developed, or supplied by the CITY or at its expense will be kept confidential by the CONTRACTOR and will not be disclosed to any other party, directly or indirectly, without the CITY'S prior written consent unless required by a lawful order. All drawings, maps, sketches, programs, data base, reports and other data developed, or purchased, under this Contract for or at the CITY'S expense shall be and remain the CITY'S property and may be reproduced and reused at the discretion of the CITY.

The CITY and the CONTRACTOR shall comply with the provisions of Chapter 119, Florida Statutes (Public Records Law).

All covenants, agreements, representations and warranties made herein, or otherwise made in writing by any party pursuant hereto, including but not limited to any representations made herein relating to disclosure or ownership of documents, shall survive the execution and delivery of this Contract and the consummation of the transactions contemplated hereby.

#### **ARTICLE 20 - INDEPENDENT CONTRACTOR RELATIONSHIP**

The CONTRACTOR is, and shall be, in the performance of all work, services and activities under this Contract, an Independent Contractor, and not an employee, agent, or servant of the CITY. All persons engaged in any of the work or services performed pursuant to this Contract shall at all times, and in all places, be subject to the CONTRACTOR'S sole direction, supervision, and control. The CONTRACTOR shall exercise control over the means and manner in which it and its employees perform the work, and in all respects the CONTRACTOR'S relationship and the relationship of its employees to the CITY shall be that of an Independent Contractor and not as employees or agents of the CITY.

The CONTRACTOR does not have the power or authority to bind the CITY in any promise, agreement or representation other than as specifically provided for in this Contract.

## **ARTICLE 21 - CONTINGENT FEES**

The CONTRACTOR warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the CONTRACTOR to solicit or secure this Contract and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the CONTRACTOR, any fee, commission, percentage, gift, or any other consideration contingent upon or resulting from the award or making of this Contract.

## **ARTICLE 22 - ACCESS AND AUDITS**

The CONTRACTOR shall maintain adequate records to justify all charges, expenses, and costs incurred in estimating and performing the work for at least three (3) years after completion of this Contract.
