

# Mandatory Water Conservation Measures

CODE ENFORCEMENT DIVISION

## Effective March 15, 2010

The South Florida Water Management District has established year-round water conservation measures to better protect South Florida's water resources. These new measures place **permanent limits** on landscape irrigation throughout Palm Beach County.

Under the new measures, City of Riviera Beach residents may water their lawns three days a week within the following guidelines:

- Homes and businesses with an **odd-numbered** street address may water lawns and landscapes on **Mondays, Wednesdays** and/or **Saturdays** only, **before 10 a.m. or after 4 p.m.**
- Homes and businesses with an **even-numbered** street address may water lawns and landscapes on **Tuesdays, Thursdays** and/or **Sundays** only, **before 10 a.m. or after 4 p.m.**
- **Gated** communities and multi-family developments that irrigate the entire development may water lawns and landscapes on **Tuesdays, Thursdays** and/or **Sundays** only, **before 10 a.m. or after 4 p.m.**
- Additional watering days are allowed if residents install new lawns and landscaping for up to 90 days.

Information about the new conservation measures, including which days of the week irrigation is allowed, is available at [www.sfwmd.gov/2days](http://www.sfwmd.gov/2days).

You may call the City of Riviera Beach Code Enforcement Division at **561-882-3505**, or the SFWMD's Citizen Information Line number at **1-800-662-8876** for more information.
