

NOTICE OF CONSTRUCTION

Water Main Improvements: Lake Drive and Inlet Way

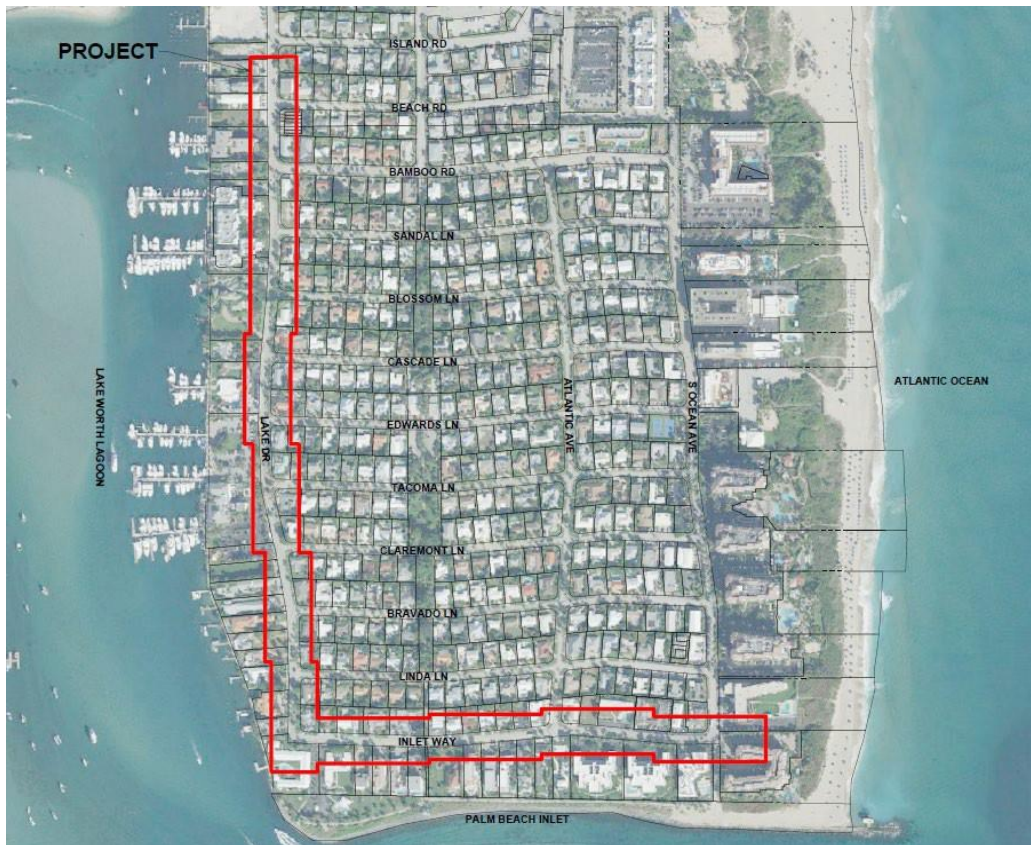

Overview

The work in this project includes the installation of 1.1 miles of water mains within the Town of Palm Beach Shores and 1 ½ blocks within the City of Riviera Beach. The work will include but not be limited to:

- Installation of water main pipe and water services (including tie-in to water meters)
- Removal and abandoning of existing water main pipes
- Landscape restoration
- Pavement restoration
- Sidewalk restoration

Location

- Along Lake Drive from Island Road extending south to its connection with Inlet Way.
- Along Inlet Way from its connection with Lake Drive east to S Ocean Avenue.
